Dear Miss White -

Thank you for your letter.
I am glad that Bunny Wise
pleased you. Some day I hope
to write again about race
old books, for I am still
somewhat of a collector.

That was an unfortunate
reference to the "two excellent
works," and I have been
called upon to explain it
before this. The word "exclusively"
should have been omitted.
The journals I had in mind
were the Publishers' Weekly
and the Collector's Journal,

the last was 4 times & I was
thinking of departments
in them & Sorry!

Do you ^{know} Hartman's
The American Book Collector,
published at Newtucket,
N. J.? I think you would
find it useful - and it
is always entertaining.

I'm glad to have your
handsome book plates. If
ever I am in your neighbor-
hood, I shall hope to
see the Olmsted library.
Good wishes.

Sincerely
Maurice Starnes
